

ENVISION THE CHANGE *that you want to* BECOME

? **WHY** be an average developer, when you can be a radical stimulus?

? **WHY** simply teach a person, when you can cultivate the seed of knowledge to bear the fruits to enlightenment?

? **WHY** merely connect people, when you can ignite a firestorm in the hearts and minds of your community?

CENLED gives rise to unsurpassed economic developers, with a focussed approach in line with the global trend. Start with an education.

Become a **CERTIFIED** economic developer and make a difference in your personal development and in the prosperity of your community.
