Exemption and indemnity

Applicants/students under the age of 18 years old must be assisted by their parent or guardian. (This must be the same person listed as next-of-kin.)

I, the applicant/student and (where applicable) I, the parent/guardian/next-of-kin/spouse of the applicant/student, declare and agree as follows:

1. I understand and acknowledge that with a view to keeping fees affordable, there is no obligation on the University of Johannesburg ("the University") to take out insurance to cover risks to which applicants/students are exposed while studying at the University.
2. Each signatory of this exemption and indemnity waives all rights that he/she may have or may acquire to claim compensation for loss or damage arising from the conduct of the University or someone for whose conduct the University is responsible.
3. Each signatory of this exemption and indemnity furthermore assumes the obligation of the University or person for whose conduct the University is responsible in respect of such a liability.
4. I understand that for purposes of the exemption and indemnity, the expression "conduct" includes omissions.
5. The exemption and indemnity will not apply where the liability of the University or person for whose conduct the University is responsible is covered by insurance or a statutory compensation scheme (for example the third party compensation scheme relating to motor vehicle accidents). It will also not apply if the loss or damage arises from the gross negligence of the University or a person acting on behalf of the University.
